EDUCATION

B.Tech- AI & DS	Sri Eshwar College of Engineering	**CGPA 7.4**	**2024-2028**
HSC	Disha -A Life School(ISC)	**69%**	**2022-2024**
SSLC	Disha-A Life School (ICSE)	**67%**	**2021-2022**

PROJECT

Restaurant Management System (Python) –Developed a console and GUI-based application to streamline restaurant operations such as menu management, order processing, billing, and customer records using Python. Integrated Tkinter for the graphical user interface and HTML for front-end structuring where required. Implemented features using object-oriented programming and file handling to ensure smooth data flow and user interaction.

ACHIEVEMENTS

Top 50 Winner – Internal Smart India Hackathon (SIH)
 Secured a position among the Top 50 teams in the internal college-level SIH selection round for the project "Smart Tourist Safety Monitoring & Incident Response System using AI, Geo-Fencing & Blockchain-based Digital ID."

CERTIFICATES

Successfully certified in Google's Introduction to Generative AI.	**Google Cloud**	**2024**
Successfully certified in Python Bootcamp from Zero-Hero Course .	**UDEMY**	**2024**
Successfully completed certification in HTML for web development.	**Sololearn**	**2024**
Successfully completed certification in C programming Language.	**Sololearn**	**2024**

CODING PROFILES

Skillrack: Completed 1000+ programs	[Skillrack :View Profile]
Leetcode: Completed 30+ programs	[Leetcode:View Profile]
CodeChef: Completed 50+ programs	[CodeChef :View Profile]
HackerRank: 2400+ Hackos	[HackerRank :View Profile]

TECHNICAL SKILLS

Programming Languages:	Java|C |C++ Language (Intermediate)|Python(Intermediate)
Web Development :	HTML|CSS|JavaScript(basics)
Databases:	SQL(Intermediate)|MongoDB(Basics)
Tools:	Canva|Visual Studio Code|Git Hub|Git|Power BI(Basic)
